Holiday Assignment

Dear Parents,

As parents, it is important to invest your time with your children now. Enjoy their childhood as in a few years from now they'll be all grown up and on their own!

To cherish these moments, here's a list of suggested activities which you can enjoy with your children:

- Share stories about your childhood and your family history.
- Take at least two meals together with your children. Ask them not to waste their food and explain to them, the importance of the hard work the farmers do to grow food.
- Allow them to help you in the kitchen or other household chores. Children learn dignity of labour from such activities.
- Allow your children to read as many age-appropriate story books, as possible.
- Keep your children's screen time limited. Screens include T.V., mobile phones, computers and other electronic gadgets.
- Avoid giving junk food like chocolates, jellies, cakes, wafers, aerated drinks, fried stuff. Cultivate a healthy eating habit among your children.

Make the most of the summer break and enjoy this time with your children.

2) Let's Go Green

This summer, let's become gardeners and learn about some farming too. Have fun growing a plant. You can grow a plant or herb such as mint, coriander, lettuce, ornamental plants, air purifier plants etc. that too in used coconut shells, discarded plastic bottles, jugs, broken coffee mugs etc. Follow all safety precautions while handling the gardening equipment. Involve your family members also in the activity.

SOCIAL STUDIES

Holidays are an opportunity to have fun, learn and grow. So, let's do some research work.

You may use materials such as cardboard, old cardboard boxes, A3 sheet, pictures from magazines and newspaper etc.

Collect information and make a project/ innovative model on any one of the following.

- Make an innovative model illustrating the imaginary lines of the Earth.

OR

- Make a poster on life of the people found in the Dense Forests.

OR

- Make a model on any one landform found on our planet Earth - plateau, desert, plain etc.

Note:

- **All work to be done on A3 / A4 size paper.**
- **Revise the work done in all the subjects in the months of April and May, 2024.**
