About the School

Cambridge School, Indirapuram which took off in a modest way in 1999 has clearly established itself as one of the leading educational institutions in Indirapuram known for its excellent infrastructure, faculty, innovative teaching methodology, results and a plethora of activities conducted throughout the year.

The aim of the school is not only to produce scholars, but to turn out responsible citizens on whose able shoulders will rest the edifice of a strong, progressive India. To attain this goal, emphasis is laid on all-round development of the students' mental, physical, intellectual, aesthetic, moral and spiritual aspects.

Students also undertake a lot of community development work throughout the year. The school is also a part of the International School Award Programme by British Council. A number of activities are also being conducted under British Council connected Classrooms Programme.

Vision

To be one of the leading schools in the community it serves. Known and widely acknowledged as a secular institution which develops character and ethical leadership in its students in their pursuit of excellence.

Mission

To nurture in children a strong sense of community, of justice and fair play and allow them the opportunity to learn and express themselves in the ways they enjoy best, applying their learning to diverse and challenging situations to reach their optimum potential.
