Holiday Assignment

Dear Parents,

Greetings from Cambridge School, Indirapuram!

As parents, it is important to invest your time with your children now. Enjoy their childhood as in a few years from now they'll be all grown up and on their own!

To cherish these moments, here's a list of suggested activities which you can enjoy with your children:

- Share stories about your childhood and your family history.
- Take at least two meals together with your children. Ask them not to waste their food and explain to them, the importance of the hard work the farmers do to grow food.
- Allow them to help you in the kitchen or other household chores. Children learn dignity of labour from such activities.
- Allow your children to read as many age-appropriate story books, as possible.
- Keep your children's screen time limited. Screens include T.V., mobile phones, computers and other electronic gadgets.
- Avoid giving junk food like chocolates, jellies, cakes, wafers, aerated drinks, fried stuff. Cultivate a healthy eating habit among your children.

Make the most of the summer break and enjoy this time with your children.

ENGLISH

Books are our best friends and holidays are the best time to bond with them even more strongly than before. Here is a list of suggested reading or you can read any other book of your choice:

- The Happy Prince– Oscar Wilde
- The Secret Garden– Francis Hodgson Burnett
- A Christmas Carol – Charles Dickens
- Anatole– Eve Titus
- Simi Stands Tall –Arti Sonthalia
- Wingless– Paro Anand

❖ **A Summer of Words: My Personal Dictionary**

During the summer vacation, create your very own **Personal Dictionary**. Every day, be on the lookout for new English words you come across — from newspapers, storybooks, movies, podcasts, or conversations. Whenever you find a new or interesting word, write it down in your dictionary. For each word, do the following:

- Write the word clearly.
- Find out and write the meaning in your own simple words.
- Use the word in a sentence created by you.
- Mention where you found or heard the word (for example: a book title, movie name, newspaper article, podcast, or a conversation).

Decorate your dictionary with small illustrations, photos, or magazine cutouts if you wish!

By the end of the holidays, you will have built a wonderful collection of words you discovered by yourself. Try to collect at least **45-50 words** during your vacation — and more if you like!

❖ **A Hidden Talent or Unique Hobby: Research and Explore!**

Explore a hidden talent or unique hobby of a family member. It could be something creative, like painting or knitting, a fun talent such as solving puzzles or performing magic tricks, or a long-term hobby like birdwatching or stamp collecting. Speak to your parents, grandparents, or relatives to learn how they discovered the hobby, why they enjoy it, and any challenges they face. If possible, spend time with them while they practice the hobby and share your own experience.

Write a short report introducing the family member and their hobby, explaining how they learned it, why it's meaningful to them, and your experience trying it out. Include photos or drawings to make your report more engaging and creative.

Suggested movies you can enjoy watching during the summer break:

1.Sound of Music
2. Born Free
3. A Christmas Carol
4. Gandhi
5. Witches (Roald Dahl)
6. Chronicles of Narnia
7. Matilda

HINDI

- मधुश्री या पावस की बूँदें या अपनी मनपसंद कहानी की पुस्तक का रोज़ एक पृष्ठ पढ़ें और उसमें से चुनकर कोई 5 नए शब्द हर रोज़ लिखें। ऐसे शब्द चुनकर लिखें, जिनमें अक्सर वर्तनी की गलतियाँ हो जाती हैं। एक A4 शीट पर सभी शब्द लिख सकते हैं। इस प्रकार कम से कम 50 शब्दों का शब्दकोश तैयार हो जाएगा।
- चुने हुए 50 शब्दों में से किन्हीं 20 शब्दों से वाक्य बनाइए। (A4 शीट)
- बॉक्स बनाकर एक छोटी कॉमिक कहानी A 4 शीट पर तैयार करें (चित्र + संवाद)
- अपने माता-पिता/दादा-दादी से 8-10 सवाल पूछें (जैसे - उनके बचपन की छुट्टियाँ कैसी थीं) और उनके उत्तर लिखकर एक छोटा "इंटरव्यू लेख" A4 शीट पर तैयार करें।

MATHS

- **Workbook:** Complete L-1: Place Value and L-2: Addition, Subtraction and Their Applications.

- **Practice 5-sums each of all four operations in a week in rough notebook.**
  (Parents are kindly requested to monitor and review this at their convenience. Your cooperation is sincerely appreciated.)

- **Project - Experiential Learning**
  - ❖ Write down the population of any 10 Indian metro cities.
  - ❖ Write the names of the states in which they are.
  - ❖ Write the population in Indian and International System of Numeration.
  - ❖ Arrange them in Ascending Order and Descending Order.
  - ❖ Find out about cities with the maximum and minimum population.

SCIENCE

Be a smart kid!

As our school is working towards many sustainable goals, we want you to spread it outside our premises towards our society. Form a smart children's group and start a cleanliness drive in your society or locality.

- Keep water for birds and animals to help them in the summer heat.
- Save water by turning off taps and reusing water whenever possible.
- Save electricity by switching off lights and appliances when not in use.
- Use reusable cloth or jute bags instead of plastic while shopping.
- Keep your surroundings clean by always using a dustbin.
- Reduce waste by avoiding food wastage and reusing materials.
- Help in gardening by planting seeds or growing small plants at home.
- Collect seeds and scatter them in empty open spaces on highways while travelling.

MAKE YOUR OWN COMPOST

- **Objective:** To learn about wet waste and composting
- **What to Include:**

1. Collect kitchen waste (vegetable peels, fruit scraps, etc.) in a container.
2. Add some dry leaves and soil.
3. Stir every day and observe changes over 10-15 days and write your daily observation on a sheet.

- **Research Questions:**
  1. What changes occur in kitchen waste during the composting process over 10 –15 days?
  2. Which conditions help kitchen waste turn into compost faster?
- **Submission**: Bring your observation sheet and compost to the school after the holidays.

SOCIAL STUDIES

Holidays are an opportunity to have fun, learn and grow. So, let's do some research work and a Visit to an interesting place.

❖ **5th June Special (World Environment Day): "Save Our Planet Mission" Theme: *Be a Planet Protector***

Choose Your Green Mission (Any One)

- Plant a sapling or take care of a plant
- Say "No" to plastic for a day
- Save water (turn off taps, reuse water, etc.)
- Reuse waste materials to create something useful (best out of waste)
- Clean a small area around your home or park
- **"Waste Watcher Mission" - *Observe Waste* → *Reduce Waste* → *Save Planet***

Step 1: Become a Waste Detective

For **one day**, observe waste at home or nearby. Record the following:

- What types of waste you see (plastic, paper, food, etc.)
- Where most waste is generated (kitchen, room, street, etc.)
- Which waste is **maximum?**

Present this in a simple table or list.

Step 2: Choose **at least 3 actions** to reduce waste:

- ♻️ Reuse old items (bottles, boxes, bags)
- 🚫 Avoid single-use plastic
- 🍽️ Reduce food waste
- 📄 Use both sides of paper
- 🪣 Segregate dry and wet waste

Step 3: Create Your "Eco Action Diary"

Write:

- 🛠️ What actions you took
- 😊 What difference you noticed
- 💡 One new habit you will continue

Add drawings or paste pictures.

❖ **My City Explorer:** Children to visit National Gallery of Modern Art (New Delhi) during their vacation or any other place of interest in your city—such as a museum, monument, park, or market—and turn your experience into a fun **"Adventure Journal"**. You may include in your "Adventure Journal": name of the place, date of visit, what you saw, how people work there, your favourite part, drawings/photos, and 2–3 fun facts.

Note:

- **Do all the activities/holiday homework on A4/A3 size paper.**
- **Revise the work done in all the subjects in the months of April and May, 2026.**
