

CAMBRIDGE SCHOOL

Under the aegis of The Society for the
Advancement of Education

Cambridge School was founded in 1931 with the conviction that education should develop curiosity about the world, instill the joy of learning in children, and strongly promote strength of character. Nothing in the intervening years gives us reason to modify these objectives.

We are looking for innovative, collaborative and outstanding teachers for the Academic Session 2022-23. The desired candidates should have relevant teaching experience and excellent communication skills.
